OBJECTIVE

Computer Science Engineering student with strong programming and problem-solving skills, a solid foundation in core computer science concepts, and hands-on experience in web technologies, MySQL, Salesforce development, and AWS cloud fundamentals. Seeking an entry-level software role to contribute to efficient and scalable solutions.

EDUCATION

K.S.R.M College of Engineering , Kadapa	Expected 2026
B.Tech in Computer Science Engineering	CGPA: 7.6/10
Narayana Junior College , Anantapur	2020 – 2022
Intermediate (M.P.C)	81%
St. Vincent De Paul English Medium High School , Anantapur	2019 – 2020
10th Standard	80%

TECHNICAL SKILLS

Programming: Python
Web: HTML, CSS, JavaScript, React.js
Frameworks: Django
Database: MySQL, SQLite
Cloud & CRM: AWS (fundamentals), Salesforce (Apex)
Tools: VS Code, PyCharm

EXPERIENCE

Salesforce Developer Intern – Salesforce (Remote)	May 2025 – Jul 2025
- Developed applications using Apex and Salesforce platform tools. - Built automation workflows and validation rules to improve system efficiency. - Earned AgentBlazer Champion recognition for outstanding performance.	
Cloud Technology (AWS) Intern – Saraj Innotech Services Pvt. Ltd.	12 May 2025 – 12 Jul 2025
- Completed a two-month short-term internship on Cloud Technology (AWS), organized in collaboration with APSCHE. - Gained hands-on exposure to core AWS cloud concepts and services. - Received an Internship Completion Certificate (Intern ID: SRIT2025-ST-346).	

PROJECTS

Smart Lost and Found Management System

- Developed a full-stack web application using Django, React.js, and SQLite.
- Implemented role-based access control for secure item tracking and claim verification.
- Designed an ownership verification system to prevent fraudulent claims.

Text-to-Speech Converter

- Built a web-based application using Python APIs for real-time text-to-speech conversion.
- Developed a responsive UI using HTML, CSS, and JavaScript.
- Implemented voice customization and audio playback features.

Static Portfolio Website

- Created a responsive personal portfolio using HTML, CSS, and JavaScript.
- Designed a clean and user-friendly interface.
- Ensured cross-browser compatibility and responsiveness.

CERTIFICATIONS

- Cisco:** Python Essentials 1 & 2, Introduction to Cybersecurity
- PrepInsta:** Data Structures and Algorithms (Python)
- Salesforce (SmartBridge):** Agentblazer Champion
- Saraj Innotech Services (APSCHE):** Cloud Technology (AWS) Internship Completion
